

19 July 1951

STAT Dear []:

Your letter, dated 12 July 1951, regarding the application with CIA of your niece, [] arrived after Mr. Dulles had left Washington to be away for about a month.

I have checked the status of [] application with the Personnel Division and was told that they were in the process of writing her and asking her when she could report for duty as a Clerk-Typist. In view of your letter, they are now sending her a letter asking her to get in touch with them when she returns from her holiday in Europe.

Your letter will be brought to Mr. Dulles' attention upon his return to Washington.

Sincerely yours,

Secretary to
Allen W. Dulles
